Community Action is a private, non-profit human service organization founded in 1966 as part of then-President Johnson's anti-poverty initiatives. The agency's mission statement is "to help people achieve and maintain independence." Community Action:

Food is distributed eight times per year, and should provide 12-15 days of complete, balanced meals. Applicants must be 60 years of age or older, and have income at or below 130 percent of poverty. Another food distribution program, The Emergency Food Assistance Program (TEFAP), is available on a quarterly basis for those 18 years and older. Income guidelines for TEFAP are at or below 200 percent of poverty.

In addition, Community Action provides Congregate Meals for persons over age 60 at many senior dining centers along with Home Delivered Meals (often referred to as "Meals on Wheels") in Branch County. Call (269) 965-7766 or (877) 422-2726 (toll-free) for more information on any of the Emergency and Nutritional Services programs.

Education and Children's Services

Education and Children's Services (ECS) Mission Statement: With the involvement of the community, we strive to enhance the self-dignity and self-worth of the children and families that we serve.

ECS Philosophy: Give all children an equal opportunity to achieve success. Families, staff and the community are included as active partners in the success of children and the program. For all children to be successful, families need support in achieving their goals.

Education and Children's Services includes Early Head Start for pregnant women, infants and toddlers 0-3 years old and Head Start for 3-5 year old children. These are free programs to prepare children to enter kindergarten, and are offered in Barry, Calhoun and St. Joseph counties. The program's Fatherhood and Male Involvement initiative encourages father figures to engage with their Head Start children. The department also hosts the Foster Grandparent Program, where seniors mentor children in schools and childcare settings in these counties as well as in Branch County.

For Information Call (877) KIDS-577 (877-543-7577) on any of our programs.

Letter Writing Tips:

1. Make certain that your letter is timely-write when the legislation is pending in committee.
2. Keep your letters short and state your views clearly.
3. Identify bills by titles and number, or popular title e.g.: “ the Whistleblower’s Act.”
4. Avoid threats. Be reasonable and constructive.
5. State reason for your position. Tell how the issues will affect you, your business-or its effect upon your Community or State.
6. Address your letter properly: know the legislator’s full name and correct spelling.
