With just one simple call to 2-1-1 you will have access to **thousands of programs to GIVE HELP or GET HELP!**

**Give Help – Get Help
Thousands of Programs, One Call.**

Community Action is a private, non-profit human service organization founded in 1966 as part of former President Johnson's anti-poverty initiatives. The agency's mission statement is "to help people achieve and maintain independence." Community Action:

- **Provides** responsive and supportive **services** to the community.
- **Cares** for each person individually with **dignity** and **respect**.
- **Resolves** and prevents problems through immediate **action**.

Its vision is as an organization with strong social service programming in which individuals can develop their potential for self-sufficiency and personal well-being. Community Action's mission is carried out through numerous programs, in three major areas, including:

Housing and Transportation Services, which offers services to, and provides programs for, low- to moderate-income families, including:

- *Major and Minor Home Repair/Rehab*
- *Senior and disabled transportation*
- *Weatherization*

Emergency and Nutritional Services, which provides meal assistance for people age sixty and over and food for low-to moderate-income individuals:

- *Home Delivered Meals (Branch County Only)*
- *Congregate Dining Centers (Branch County Only)*
- *Commodity Food Distribution*
- *Emergency utility, rent assistance*
- *Head Start and Early Head Start Meals*
- *The Emergency Food Assistance Program*

Education and Children's Services, which seeks to meet the educational and family development needs of children and their families through the following programs:

- *Head Start*
- *Early Head Start*
- *Great Start Readiness Program*
- *Foster Grandparent Program*

Each of the programs mentioned above are described in more detail below. **For more information or to see if you qualify for any of these programs, call (269) 965-7766 or toll free (877) 422-2726.**

Housing & Transportation Services

Housing & Transportation Services provides a variety of programs to qualified residents. These include Weatherization and Home Rehab Services in Barry, Branch, Calhoun and St. Joseph counties. In Calhoun County, Senior and Disabled Transportation are offered. To make an appointment to apply for any of these programs call **(269) 965-7766** or toll free **(877) 422-2726**.

Emergency and Nutritional Services

The Commodity Supplemental Food Program provides seniors 60 years of age and older with nutritious food. Food is distributed eight times per year, and should provide 12-15 days of complete, balanced meals. Applicants must be 60 years of age or older, and have income at or below 130 percent of poverty. Another food distribution program, The Emergency Food Assistance Program (TEFAP), is available on a quarterly basis for those 18 years and older. Income guidelines for TEFAP are at or below 200 percent of poverty.

In addition, Community Action provides Congregate Meals for persons over age 60 at many senior dining centers along with Home Delivered Meals (often referred to as “Meals on Wheels”) in Branch County. Call **(269) 965-7766** or **(877) 422-2726** (toll-free) for more information on any of the Emergency and Nutritional Services programs.

Education and Children's Services

Education and Children's Services (ECS) Mission Statement: With the involvement of the community, we strive to enhance the self-dignity and self-worth of the children and families that we serve.

ECS Philosophy: Give all children an equal opportunity to achieve success. Families, staff and the community are included as active partners in the success of children and the program. For all children to be successful, families need support in achieving their goals.

Education and Children's Services includes Early Head Start for pregnant women, infants and toddlers 0-3 years old and Head Start for 3-5 year old children. These are free programs to prepare children to enter kindergarten, and are offered in Barry, Calhoun and St. Joseph counties. The program's Fatherhood and Male Involvement initiative encourages father figures to engage with their Head Start children. The department also hosts the Foster Grandparent Program, where seniors mentor children in schools and childcare settings in these counties as well as in Branch County. Call **(877) KIDS-577 (877-543-7577)** for information on any of these programs.

Letter Writing Tips:

1. Make certain that your letter is timely-write when the legislation is pending in committee.
2. Keep your letters short and state your views clearly.
3. Identify bills by titles and number, or popular title e.g.: “the Whistleblower’s Act.”
4. Avoid threats. Be reasonable and constructive.
5. State reason for your position. Tell how the issues will affect you, your business-or its effect upon your Community or State.
6. Address your letter properly: know the legislator’s full name and correct spelling.
